Winning this battle requires a faith stronger than steel...

Secrets of Socendor, Book 2

Legends tell of a dragon-forged weapon so powerful, it possesses the ability to traverse time itself. Knowing the havoc it could wreak, the dragons sealed it deep beneath the mountains.

No one was meant to find it, let alone wield it.

General Kalen Ysindroc, leader of the human king's armies and the long-lost son of Socendor's most feared wizard-king of old, is in a race against time. His half brother, Braen, is searching for the sword as a means to return their father from the grave. Kalen must not let that happen. Joined by his elven lover, wizard Micheil Thierauf, he sets out on a journey beneath the mountains to stop Braen from doing the unthinkable.

As secrets come to light that test Kalen's faith in every way possible, including his trust in the man he's loved nearly all his life, the right path is as clouded as the murky, dragon-blood-tainted waters of the Ebon Sea. And Kalen is forced to make a decision that could very well be his last.

Warning: This book contains treason and treachery, magic and steel, clawed behemoths, and secrets no man should ever keep from his lover.
