## **Guano** Louis Carmain

It's 1862, and Spain is a little rueful about letting Peru have their independence. Or, more importantly, letting Peru have the guano—"white gold"—on the Chincha Islands. Simón is the ship's recorder on a scientific—okay, military—expedition when he meets, in Callao, the mysterious Montse. She asks of him only that he write her letters. Which he utterly fails to do. As military tensions escalate, so does Simón's unabated lust for Montse — even if he can't bring himself to do anything about it.

**Louis Carmain** lives in Gatineau, Quebec. *Guano*, his first novel, received the prestigious Prix littéraire des collégiens.

**Rhonda Mullins**'s translation of Jocelyne Saucier's *And the Birds Rained Down* was a 2015 CBC Canada Reads selection. She lives in Montreal, Quebec.

### From reader reviews:

#### Mike Munguia:

Have you spare time for the day? What do you do when you have considerably more or little spare time? That's why, you can choose the suitable activity to get spend your time. Any person spent all their spare time to take a go walking, shopping, or went to typically the Mall. How about open or even read a book allowed Guano? Maybe it is being best activity for you. You know beside you can spend your time using your favorite's book, you can more intelligent than before. Do you agree with their opinion or you have various other opinion?

#### Micheal Taylor:

What do you consider book? It is just for students since they're still students or that for all people in the world, what the best subject for that? Just you can be answered for that issue above. Every person has different personality and hobby per other. Don't to be forced someone or something that they don't wish do that. You must know how great as well as important the book Guano. All type of book are you able to see on many solutions. You can look for the internet resources or other social media.

#### William Harris:

Your reading sixth sense will not betray you actually, why because this Guano publication written by well-known writer whose to say well how to make book which can be understand by anyone who read the book. Written within good manner for you, still dripping wet every ideas and publishing skill only for eliminate your hunger then you still doubt Guano as good book but not only by the cover but also with the content. This is one reserve that can break don't evaluate book by its deal with, so do you still needing yet another sixth sense to pick this kind of!? Oh come on your looking at sixth sense already said so why you have to listening to another sixth sense.

#### Martha Bryant:

As we know that book is significant thing to add our knowledge for everything. By a reserve we can know everything we would like. A book is a set of written, printed, illustrated as well as blank sheet. Every year was exactly added. This guide Guano was filled concerning science. Spend your free time to add your knowledge about your science competence. Some people has various feel when they reading a new book. If you know how big benefit from a book, you can truly feel enjoy to read a guide. In the modern era like now, many ways to get book which you wanted.
