For the past four months, Natalie Carmichael and Nolan Young have been complete. Everything still feels right in their passion-filled world. It still feels natural - that is until Nolan's mother passes away. Things begin to turn for the worst for Nolan and his brother Mills. After losing their father from previous years before, it's a tragedy on top of a tragedy. Along with the loss, Natalie and Nolan will face obstacles that they aren't so sure they can handle. From the New York Times and USA Today Best Selling novel, *Hard to Resist*, Natalie and Nolan will realize that there is something in their relationship that will have them either wanting to run away or trying to stick through it. Will Natalie and Nolan stick together? Can they hold on to what they've worked so hard to keep going? Love was found. Their only hope is that it never gets lost
