**ondadimare (Italian Edition)** Enzo Gerbino

Forse è stato un caso, oppure nulla succede mai per caso...

Un passato voluto dimenticare riemerge improvviso dopo venti anni ed è un segreto che Fabio aveva tenuto nascosto per tutto quel tempo in fondo al cuore: è il segreto di un amore clandestino, un amore che fu così travolgente ed eccitante, così difficile e devastante, ma ugualmente così bello e intenso da vivere...

“ondadimare” è la storia di Fabio e Giulia e di un destino crudele, che prima li unì e poi li divise.

Sì, forse nulla succede mai per caso... e Fabio adesso ripercorre nella sua memoria ogni istante di quell'amore lontano, per riviverne le emozioni e i conflitti interiori, quelli che ti fanno rimettere in discussione i propri affetti rischiando di sacrificarli.

Già, nulla succede mai per caso, e qualcosa di inaspettato succede... Proprio adesso, dopo così tanto tempo, accade ciò che mai Fabio avrebbe immaginato alla sua vita e tutto, da quel momento, sarà diverso...!

Ci sono riflessioni e forti emozioni, tra le pagine del libro, c'è introspezione e mai superficialità, dove il tema della separazione diventa un'indagine sui dolori e le afflizioni dell'animo umano e dove si racconta di un amore straordinario...
