### **His Mission**

Vax was once committed to his life as a Hunter, tracking down the evil beings who prey on humans, but he opted out of the game long ago. Until now--because somebody, somewhere, is in danger. And, despite his best efforts, Vax can't ignore his calling?

### **Her Sacrifice**

Jess Warren is determined to find the maniac who killed her sister. A gifted psychic and telekinetic, she will do anything to exact her vengeance. Even if it means putting herself in peril...

### **Their Insatiable Desire**

Jess would rather not accept Vax's help--especially since letting him have his way could draw her deeper into his irresistibly sensuous realm. But then he saves her life--and they discover that the depraved madman they've been looking for is much closer than either of them could have imagined...
