Notas de una residencia en las islas canarias (Escala en Tenerife) (Spanish Edition) Thomas Debary

El clérigo anglicano Thomas Debary visita Tenerife por motivos de salud en 1849. El interés de su testimonio histórico estriba precisamente en la riqueza del análisis que efectúa de la sociedad isleña, en un momento en el que la consolidación de las reformas liberales isabelinas le permite reflexionar sobre lo que supuso para la Iglesia la desamortización de Mendizábal. Un segundo aspecto en el que se detiene especialmente es el motivo esencial de su viaje: Canarias como centro de curación. Es éste uno de los primeros antecedentes de lo que será el desarrollo de una infraestructura hotelera dedicada a satisfacer las demandas de acaudalados turistas ingleses que residirán en las Islas para curarse de sus afecciones. El relato de Debary resulta de gran interés por situarse en una época de transición en todos los órdenes en Canarias y proporcionarnos una visión crítica y analítica del estado del Tenerife que Debary conoció a mediados del siglo XIX.
