*For Kira Solomon, normal was never an option.*

Kira's day job is as an antiquities expert, but her true calling is as a Shadowchaser. Trained from youth to be one of the most lethal Chasers in existence, Kira serves the Gilead Commission, dispatching the Fallen who sow discord and chaos. Of course, sometimes Gilead bureaucracy is as much a thorn in her side as anything the Fallen can muster against her. Right now, though, she's got a bigger problem. Someone is turning the city of Atlanta upside down in search of a millennia-old Egyptian dagger that just happens to have fallen into Kira's hands.

Then there's Khefar, the dagger's true owner -- a near-immortal 4,000-year-old Nubian warrior who, Kira has to admit, looks pretty fine for his age. Joining forces is the only way to keep the weapon safe from the sinister Shadow forces, but now Kira is in deep with someone who holds more secrets than she does, the one person who knows just how treacherous this fight is. Because every step closer to destroying the enemy is a step closer to losing herself to Shadow forever....
