Entre terroristas. Una política exterior para el mundo del terror (Vida Y Pensamiento De Mexico) (Spanish Edition) Mario Núñez Mariel

En un intento por entender la motivación y los mecanismos del suicidio terrorista de los atentados contra las torres gemelas, el autor se impone una reflexión que lo lleva a buscar las raíces tanto del terrorismo fundamentalista religioso como del terrorismo de Estado. En tres capítulos, hace una revisión de todo aquello que mueve a esta forma de violencia, cuestiona el papel de México en este escenario global, para terminar con un análisis de la política exterior mexicana y sus mitos, de forma que se puedan plantear estratégicamente las relaciones de México con el planeta en la era del terror.
