These classic, timeless stories have been crafted into a concise, intriguing, and very readable romp through the human condition. Arranged by emotional theme—cunning, vanity, vengeance, heroism—each exciting tale hones in on the frailties and strengths, desires and jealousies of gods who attempt to act like mortals and mortals who dare to be gods. Originally conceived to help early civilizations comprehend the emotions and culture of an ancient world, these myths remain as compelling today as they were thousands of years ago. From the miraculous birth of Athena in the heavens to Odysseus and his skillful slaying of the Cyclops on Earth to Persephone's abduction into the underworld, *Greek Myths* is a glorious introduction to the world of mythology.
