La aventura urbana de América Latina. Recorridos_3 (Spanish Edition) Germán Mejía Pavony

El ochenta por ciento de los latinoamericanos vive hoy en poblaciones de más de 20.000 habitantes. Esta cifra sorprende, pues aceptamos que la mayoría de las localidades de la región apenas sobrepasa el carácter rural. En realidad, la historia del desarrollo urbano del subcontinente ha sido desdeñada por teorías victimistas que la condenan sin remedio al atraso; por ello, resulta paradójico que desde los primeros años del siglo XIX la ciudad se revelara esencial para la construcción de los nuevos Estados nacionales, y que la producción de riquezas, de origen agrario o minero, encontrara en sus urbes la única posibilidad para transformar la sociedad entera. La historia de América Latina es, en este sentido, una aventura de futuro que se construye desde las entrañas de su ya longeva dinámica urbana. Recorridos se propone destacar los ejes comunes a la historia de América Latina en una perspectiva global, libre de visiones nostálgicas y exóticas. La serie analiza desde la independencia hasta la actualidad temas y horizontes que trascienden lo nacional, tanto en el espacio como en el tiempo. Mediante una narrativa accesible y con un enfoque novedoso, identifica elementos de originalidad social y cultural. También reflexiona sobre la potencia y la presencia de América Latina en tiempos de globalización, en los que se ha convertido en destacada protagonista.
