## **The Tattooed Man** Alex Palmer

Exciting new crime from Alex Palmer, winner of the 2008 Canberra Critics Circle Award Paul Harrigan is a top cop who has survived the corruption and political manoeuvrings of the NSW Police. So far ... His partner Grace Riordan has left the Service and now works in the shadowy world of undercover intelligence - so she and Harrigan can't talk about work much. Harrigan is called to a grisly murder scene in Sydney's wealthy north: four guests are seated around the dinner table - all dead. One of them a Senator's ex-wife; one of them a missing corrupt NSW detective. And the mummified condition of the detective's body - identified by a distinctive tattoo - suggests he has been dead for quite some time ... While Harrigan is facing the demons of his past, Grace is drawn into the investigation through some very unofficial enquiries of her own. Enquiries which will lead to a flashpoint neither can predict. Politics, corruption, big business, espionage and illicit technology ... Alex Palmer weaves them all into a heart-stopping race for the truth.
