Pam Rhodes is a passionate advocate for our heritage of splendid hymns. Hymns, she explains, help us respond to God: they are “prayers in our pockets”. With her warm personal touch she describes how these hymns came to be written, and considers the perceptions they contain. This book is a treasury of fascinating detail, but it is also a source of devotion: as you consider each hymn and the story behind it you will be drawn into worship. Each reflection concludes with a short prayer.
