Wanderings of a Ten Pound Pom Bob Horsman

Wanderings of a Ten Pound Pom is about an English emigrant to Australia beginning almost 50 years ago in 1966, until his marriage in 1977. The stories revolve around his work as an electrician in this new country and his travels throughout the world during that time. Those travels include visits to 32 countries with over a hundred locations. There are some funny moments, some are adventurous and some are more than a little embarrassing. Some are serious and some are light-hearted. An entertaining read, for the bus or the train, over a coffee or at bedtime. Bob Horsman's writing of those times has been almost as enjoyable for him as living them. It is his hope that the reading of these anecdotes will do the same for you.
