Weapons of the Gods is the first licensed roleplaying game to be published by Eos Press. A rich and textured book based on the Chinese wuxia genre, it features a quick and cinematic rules system written specifically for the genre; easy to learn and fast to play, it is set in the fast-and-furious kung fu setting of Tony Wong's popular comic series, but is useful for re-creating any beloved kung fu movie, such as Storm Riders or the Jet Li HERO. The hardcover book features full-color art throughout by the comic artist himself and a setting by the renowned writer Rebecca Borgstrom - it's meant to be a wonderful read as well as a roleplaying game.
