**Gli uomini visti dalle donne (Italian Edition)** Autrici varie

Più di 1200 aforismi e citazioni in cui donne di oggi e dei secoli scorsi giudicano gli uomini, il loro mondo e il loro comportamento.

Una raccolta di gradevole lettura per le donne ma preziosa per gli uomini: questi pensieri aprono una finestra particolare da cui gli uomini possono osservare se stessi con occhi femminili, e anche se il più delle volte non è un bel vedere, volenti o nolenti qualcosa si impara e se si ride, talvolta si ride a denti stretti.

A cura e con una prefazione di Remo Badoer
