Iran: Political Culture in the Islamic Republic

Mehrdad Mashayekhi

Iran: Political Culture in the Islamic Republic Mehrdad Mashayekhi

Since the Islamic revolutionary movement overthrew the "Peacock Throne" (the Shah) in 1979 the Islamic Republic has maintained its credibility and the loyalty of the people of Iran. It has survived an extremely destructive war with Iraq, isolation from the West and the rest of the Middle East except Syria, and the death of the Ayatollah Khomeini.

This book explores the social transformation of Iran in this period stressing the importance of political culture and ideology. It argues that the systematic building of a legitimate Islamic political culture is the key to the success of the regime.

The authors of the book address specific aspects of Iran's political culture within a general theoretical framework laid out in the introduction. There is discussion of a wide range of topics ranging from the relationship of the individual to society to "Westoxication", from Shi'ism to the Islamisation of film culture.
