Piensa como un freak (Spanish Edition)

Stephen J. Dubner, Steven D. Levitt

Piensa como un freak (Spanish Edition) Stephen J. Dubner, Steven D. Levitt

Con Piensa como un freak, Steven D. Levitt y Stephen J. Dubner han escrito su libro más revolucionario hasta la fecha. Con el sello inconfundible de narración cautivadora y análisis no convencional, nos llevan al interior de su proceso reflexivo y nos enseñan a pensar de manera un poco más productiva, más creativa, más racional, es decir, a pensar como un freak.

Como en sus libros anteriores, ningún tema está vedado, de los negocios a la filantropía, pasando por los deportes o la política, todo con el objetivo de reciclar tu cerebro.

Algunos de los pasos para pensar como un freak:

- Deja de lado tu brújula moral, porque es difícil ver un problema con claridad si ya has decidido qué hacer con él.
- Piensa como un niño, porque se te ocurrirán mejores ideas y plantearás mejores preguntas.
- Toma una clase magistral en incentivos, porque, para bien o para mal, los incentivos gobiernan el mundo.
- Aprende a convencer a gente que no quiere ser convencida, porque ser bueno no basta para que uno se salga con la suya.
- Aprende a apreciar las ventajas de abandonar, porque no puedes resolver el problema de mañana si no estás dispuesto a reconocer el fracaso de la calamidad de hoy.

Está claro que Levitt y Dubner ven el mundo como nadie. Nunca antes unos pensadores tan iconoclastas han sido tan reveladores y tan divertidos de leer.
