The Work of the Spirit: Pneumatology and Pentecostalism Michael Welker

Ever since the sensational Azusa Street Revival in 1906, the global Pentecostal church has continued to explode numerically, pushing theological debates on the Holy Spirit to the forefront. This insightful collection draws together theologians, scientists, and Pentecostal scholars to make connections between the study and experience of the Holy Spirit. The authors begin by addressing theological implications before moving on to the Pentecostal experience, finally connecting the Spirit to scientific and philosophical reflections.

Filled with interdisciplinary insights, *The Work of the Spirit* is inspiring and timely, honoring a century of intense reflection on and involvement with the Holy Spirit.
