## **Using NLP to Enhance Behaviour and Learning: A handbook for teachers** Terry Elston, Kate Spohrer

Elston and Spohrer take the reader through the background theory of NLP and provide a wealth of practical guidance on how to incorporate it into classroom practice. It will help all teachers to improve the lives of their students they teach or support as well as their own.

NLP offers a ground-breaking method of communication that helps people master the way they think and feel. Many problems arise in classrooms because of inadequate rapport between student and teacher, and between parent and teacher. NLP can assist all who work in classrooms to master ways of creating excellent rapport and understanding.
