L'Amore è Amore: un sentimento di una tale superiorità che il viverlo, il percepirllo, il cibarsi di esso in ogni suo melange, non è facoltà che di pochi eletti.

Esso è luce, è Letizia attraverso cui si vive la vita in una visione totale di positività.

L'Amore è Anima-Mente, ed è anche corpo, non implica obblighi di appartenenza, ma si erge su pilastri di sintonie.

È un accorpamento spirituale e totale dell'altro in un tutt'uno col proprio sé. In esso si simbiotizzano le essenze degli amanti ed anche i loro sensi.

L'Amore è un amplesso di osmosi mentale, una penetrazione viscerale di due esseri, uno sprofondare insieme nelle abissali altezze del celeste.
