Bickers: The Autobiography of Martin Bicknell is the story of former Surrey and England fast bowler Martin Bicknell. Now retired, Martin tells his story in his own words, and this book is full of Martin's opinions on the game itself, his story and the England set-up. Aggressive, upright and with the ability to swing the ball both ways, Martin Bicknell is the most underrated opening bowler in England according to the world's most popular cricket website Cricinfo. He retired in 2006 but is still actively involved in the game both as a teacher and a coach, and this is a book for true cricket fans.
