Sindromi (Italian Edition) Mauro Giacomozzi

Una poliziotta sanguinaria è rinchiusa in un centro psichiatrico. Sola nel modulo di contenzione-controllo parla ininterrottamente. Da dietro un falso specchio uno degli psichiatri incaricati di monitorarla le presta viva attenzione, in deroga alla prassi ospedaliera che, rubricata come delirante, impone di sedarla e disinteressarsene. Lo psichiatra capisce che la poliziotta, (la tenente colonnello Vasquez Matamòros, 48 anni) sta parlando a una ragazza: quella ragazza è la poliziotta stessa, così com'era all'età di 23 anni (Rosita Vasquez). La poliziotta-paziente ripercorre nella narrazione in seconda persona quella fase della sua vita che ella considera causa determinante del suo destino e del suo attuale, grave, stato psicopatologico. La storia (il corpo del romanzo) inizia quando il padre (il Maggiore Mezzafaccia) invita Rosita Vasquez a lasciare temporaneamente l'università e a tornare in famiglia per quella che dovrebbe essere una breve permanenza. La ragazza accetta: ma giunta nella casa dei genitori vive una sequenza di esperienze terribili e destabilizzanti. Ha i suoi primi atroci contatti con la malattia, l'invecchiamento, l'etilismo, la demenza, la morte. Il culmine del malessere è la convivenza forzata con la madre: dapprima nevrotica e alcolista e poi preda del morbo di Alzheimer.

From reader reviews:

Raymond Llamas:

With other case, little folks like to read book Sindromi (Italian Edition). You can choose the best book if you appreciate reading a book. Given that we know about how is important any book Sindromi (Italian Edition). You can add understanding and of course you can around the world with a book. Absolutely right, since from book you can learn everything! From your country until foreign or abroad you will be known. About simple matter until wonderful thing it is possible to know that. In this era, you can open a book or even searching by internet system. It is called e-book. You need to use it when you feel bored to go to the library. Let's learn.

Eugene Flowers:

What do you in relation to book? It is not important together with you? Or just adding material when you really need something to explain what the ones you have problem? How about your extra time? Or are you busy man or woman? If you don't have spare time to try and do others business, it is gives you the sense of being bored faster. And you have time? What did you do? All people has many questions above. The doctor has to answer that question due to the fact just their can do that. It said that about guide. Book is familiar on every person. Yes, it is right. Because start from on kindergarten until university need this kind of Sindromi (Italian Edition) to read.

Peggy Elmore:

Playing with family inside a park, coming to see the coastal world or hanging out with good friends is thing that usually you will have done when you have spare time, then why you don't try issue that really opposite from that. One particular activity that make you not feeling tired but still relaxing, trilling like on roller coaster you are ride on and with addition associated with. Even you love Sindromi (Italian Edition), you could enjoy both. It is very good combination right, you still wish to miss it? What kind of hangout type is it? Oh seriously its mind hangout guys. What? Still don't obtain it, oh come on its referred to as reading friends.

Lorraine Bryant:

As a university student exactly feel bored to reading. If their teacher inquired them to go to the library as well as to make summary for some book, they are complained. Just very little students that has reading's heart or real their pastime. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that examining is not important, boring in addition to can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Sindromi (Italian Edition) can make you truly feel more interested to read.
