John Russell Fearn

The Man Who Was Not: A Crime Novel John Russell Fearn

Gerald Dawson was the first to die—in an apparent road accident. But when other members of his family receive mysterious telephone calls informing them of their own imminent demise, and the predictions come true, Scotland Yard soon realizes that a serial killer is at work. Baffled, the police call in Dr. Sawley Garson, a specialist in scientific puzzles. But can even he save the few remaining Dawsons from the cunning killer—a man who appears not to exist? Another classic "impossible crime" novel from a master storyteller.
