*The Twelve Steps of Alcoholics Anonymous* form the cornerstone of one of the most effective programs for recovery from alcoholism. The steps have also been successfully adapted for use in the treatment of many other dependencies. This book brings together for the first time a series of short discussions that interpret each of the Twelve Steps--from the admission of individual powerlessness over alcohol that occurs in Step One, to the moral inventory of Step Four and the spiritual awakening of Step Twelve.

Each discussion has a separate author, demonstrating the diversity of voices that is at the heart of AA, and each author provides insights that keep the steps fresh and meaningful, whether they've been read once or a hundred times.
