A new volume in the successful *Unlocking the Law* series on this fascinating and dynamic area of law, containing the essential recent developments, including the Equality Act 2010. Each chapter opens with aims and objectives and contains activities such as quick quizzes and self-test questions, key facts charts, diagrams to aid learning and numerous headings and sub-headings to make the subject manageable. Features include summaries to check your understanding of each chapter, a glossary of legal terminology, essay questions with answer plans and exam questions with guidance on answering.

All titles in the series follow the same formula and include the same features so students can move easily from one subject to another. The series covers all the core subjects required by the Bar Council and the Law Society for entry onto professional qualifications as well as popular option units.
