## **THE PREACHER'S DAUGHTER...**

Paul Randall wasn't right for Belinda Carnes when they were teens. He'd skipped town when he realized that like everyone else, she blamed him for something he hadn't done.

After ten years, Paul, now a successful lawyer, was back—for business only. But one glance at Belinda and gone was his plan to have nothing to do with her: She was so beautiful he couldn't think straight.

Yet Belinda's life didn't have room for a long-lost love—especially one she had never really trusted. And Paul knew it would take God's love for him to prove his innocence. And show that her rightful place was by his side.
