Taming the Beast (3 Book Series) Tina Donahue

From Book 1:

No more Mr. Nice Guy.

Taming the Beast, Book 1

Magic is Becca Salt's business, but it ain't happening in her bedroom. The half-witch proprietress of From Crud to Stud performs miracle makeovers for paranormal creatures. Once she's done with them, they're out the door hunting for hot babes, not hanging around for a too-curvy, plain Jane like her.

Her newest client is hot, hung, mouthwatering perfection. What could she possibly improve upon?

Eric Diletto. Descendant of Cupid, bred for courtship, courtesy, and all that other gentlemanly junk. What has it gotten him? Dumped time and again for bad boys. He needs Becca's help for an entirely different reason—regression therapy to release his inner beast. Grrrr.

Two potions later, they're crawling all over each other. Becca aches for a man who loves her as she is, not because he's under the influence. But Eric isn't as impaired as she thinks. And he intends to take Becca here, there, and everywhere—anything to convince her his desire isn't just the potions talking.

Warning: A witchdoctor's nightmare. Contains potions with weird side effects, a sorceress with limited magical skills and a yearning heart, plus a minor god who wants to get down and dirty. Bad, *bad* boy!
