Una mujer de fin de siglo (Spanish Edition)

María Rosa Lojo

Una mujer de fin de siglo (Spanish Edition) María Rosa Lojo

«Calumniada por ojos y murmullos, sospechosa tanto para algunos colegas varones como para los árbitros de las "buenas costumbres", Eduarda Mansilla de García (Buenos Aires, 1834-1892) se empeña apasionadamente en una tarea que las normas de su tiempo juzgan antinatural para la condición femenina: acceder a los frutos prohibidos de la creación. Está dispuesta a pagar, incluso, el precio de poner un océano de por medio entre esta vocación y su núcleo familiar (marido y seis hijos), a los que dejará en Europa durante varios años para volver a la Argentina y dar a conocer su obra. Una mujer de fin de siglo narra así, en tres etapas, una aventura vital y los deseos de quien no está dispuesta a aceptar resignadamente los mandatos sociales. Este intenso texto, diseña desde el trabajo del lenguaje y el debate del pensamiento un personaje inolvidable que, como su contemporánea Nora Helmer, la heroína de Visen, también se verá enfrentada a una decisión extrema: abandonar su "casa de muñecas" para poder cumplir con el primero de los deberes: el que todo ser humano tiene para consigo mismo».
