Completely revised, this second edition is a full update of the internationally acclaimed first edition of An Atlas of Psoriasis, written by Lionel Fry, one of the world's most distinguished dermatologists. Copiously illustrated in color, including new high quality visual imagery only recently available, the atlas is designed to replace the old edition on the shelves of dermatologists and dermatopathologists worldwide. Like the previous edition, the book provides an authoritative review of psoriasis, including clinical features, sites and clinical patterns, differential diagnosis, psoriatic arthropathy, and treatment.
