Effective Leadership, Management and Supervision in Health and Social Care (Post-Qualifying Social Work Practice Series) Keith Brown, Ivan Gray, Richard Field

This book offers a comprehensive introduction to the areas of leadership, management and supervision for line managers, supervisors and senior practitioners. Taking a problem-solving approach, the book explores different aspects of leadership and management including personal effectiveness, managing and leading supervision, managing training and development, managing resources and leading and developing a team. A precise review of each project area is linked to a set of audit tools that a manager can mobilise in order to review team and personal effectiveness and develop practice.
