España, aparta de mí este cáliz (Spanish Edition)

César Vallejo

España, aparta de mí este cáliz (Spanish Edition) César Vallejo

César Vallejo es una de las voces poéticas más singulares de Latinoamérica. Desde sus inicios modernistas, abordará un tono intimista de fuerte carga social y con una honda preocupación por el desvalimiento y el sufrimiento de sus semejantes. Su lenguaje se abre a la experimentación, con diversos registros y con la peculiaridad de plasmar poéticamente una suerte de proceso anímico hermético, a la vez que cargado de reclamo de las libertades del individuo.

En su primer periodo escribe *Los heraldos negros* (1918), con algunos poemas de logros expresivos notables. Después, más influido por las corrientes artísticas y literarias vanguardistas, Vallejo escribirá un innovador libro que aún hoy sigue causando admiración: *Trilce* (1922). De sus demás libros de poesía solo verá publicado en vida *España, aparta de mí este cáliz* (1938), libro de tono admonitorio contra la injusticia ante la evidencia de la derrota republicana. Póstumamente aparecieron *Poemas en prosa* (1928-1938), *Poemas humanos* (1932-1937), *La piedra cansada* (1938) y otros versos aparecidos en antologías. De ellos, y junto a *Trilce*, quizá es *Poemas humanos* el que contiene los poemas más representativos de su innovador registro poético, así como de su peculiar visión social y humana, de rasgos apocalípticos y desesperanzados respecto al tipo de sociedad alienada e injusta que veía aproximarse.
