All I wanted was to pursue my dream and live happily ever after with him

But that all changed the moment that I had found him lying in our bed with someone else. To make matters worse and make my nightmare a reality, I found that my boyfriends new lover was a man. And that man was my best friend!

-

I needed to leave, leave everything in the past and begin with the new. I had no idea how to remove these horrible thoughts that seem to repeat it self until I met her.

Her exotic **style..**

Her **smell**, her **touch...**

Its interesting what one dance can really lead too.
