Lone Warrior Bobbi Smith

Poised for the adventure of a lifetime in the rugged West, Marissa Williams quickly learned how untamed the frontier could be as a party of raiding Comanche snatched her from her chaperone and spirited her away to their village. Once there, they stripped her of her clothes and sent her to a tipi to await her fate. When a virile, broad-shouldered warrior entered, she feared the worst. But his green eyes calmed her fears, and then his searing kiss enflamed a passion that set her shaking all over again. He understood her fright, longed to soothe her trembling. For Wind Ryder, more than anyone, knew what being a captive of the Comanche meant. Since he had been taken many springs ago, he'd strived to forget his past and become the best of the warriors. The chief's gift of the blond beauty proved his prowess, but her silky skin and tender lips also haunted his dreams. Dreams that made Wind Ryder realize Marissa was the fiercest fighter of them all, for she had battled for his heart—and won.
