## **The Canon of Maverick Brands** Frank Bonham

Here are three brilliant novellas from Frank Bonham, one of the greatest of all Western authors. Here are tales of adventure and intrigue, action and emotion—all set in the sweeping landscape of the Old West that Bonham has made his own. In the title story, a man's attempt to buy back the ranch that was once his father's draws him into a web of suspicion and danger. "The Mustanger" presents a quest for a stolen herd of wild horses, a quest that leads straight to a former friend. And "The Magnificent Gringo" sets a story of discovery against the dramatic backdrop of Spanish California in 1854. Let Frank Bonham transport you back to the excitement and glory of the West as only a master storyteller can.
