Beth Havelock always felt the pull of the ocean, tied to her Nantucket home even as she yearned for something new, something exciting. But when a handsome stranger washes up in a storm, she is cautious; her own immediate attraction to him frightens her. She knows nothing about him...except that he is hiding something.

As seal-kin—a shapeshifter—Dylan Meredith was happy with his own kind. But the beautiful Nantucketer drew him from his rocky home to live among humans...and risk discovery for the chance at love.

Neither can deny that the passion growing between them is real. But as Beth wrestles with her feelings—and uncovers her own mysterious origins—danger lurks. Dylan is being hunted, and now Beth is a target, too....
