Christianity and Morals (Routledge Library Editions: Philosophy of Religion)

Edward Alexander Westermarck

Christianity and Morals (Routledge Library Editions: Philosophy of Religion) Edward Alexander Westermarck

A thorough examination of many aspects of morality through the lens of Christianity, this book, originally published in 1939, is philosophical in its approach to assessing religion. It compares moral traditions of many world religions and describes their changes over time as well. Written accessibly, this is a fascinating outlay of moral theology.
