First Snow Bomi Park

Look out. Now look up. From the sky one flake falls, then another. And just like that—it's snowing.

In this beautiful book from debut creator Bomi Park, a young girl wakes up to the year's first snowy day. From her initial glimpse out the window to her poignant adventures—rolling a snowman, making snow angels—the girl's quiet quests are ones all young readers will recognize. Simple, muted text and exquisite, evocative art conjure the excitement of a day spent exploring the wonder of snow—and the magic that, sometimes literally, such a day brings. As subtly joyful as a snow day itself, this book will find its home in the hearts of young adventurers everywhere. Plus, this is the fixed format version, which looks almost identical to the print edition.
