Gangs in America's Communities

James C. Howell, Elizabeth A. Griffiths

Gangs in America's Communities James C. Howell, Elizabeth A. Griffiths

Gangs in America's Communities offers a comprehensive, up-to-date, and theoretically grounded approach to gangs and associated youth violence. Authors Dr. James C. Howell and Dr. Elizabeth Griffiths introduce readers to the foundations of gang studies through the origins of gangs, definitions and categories of youth/street gangs, transnational as well as prison gangs (and the distinctions between these arguably different types), national trends in gang presence and gang-related violence across American cities, distinguishing attributes of serious street gangs, and myths and realities.

Students and instructors will benefit from the **Second Edition's** comprehensive treatment of the state of the literature on individual-level causes and consequences of gang membership. Going beyond the traditional topics covered in most texts in the market, this book uniquely describes specific gang patterns, trends, and cultures within a group-based structure while illuminating the most promising avenues for reducing the presence and seriousness of gangs in American communities.
