If Jocelyn Swann weren't so furious, she'd probably laugh. Her best friend, Dan Jansen, has launched a campaign worthy of his Special Forces training to arrange their wedding, from music and minister to flowers and food. What part of *no* does he not understand?

Their marriage "agreement" was a tipsy scrawl on the back of a coaster...three years ago! It's not a question of love. Of course she loves Dan. She's loved him all her life. If only she could get him to slow down a minute and listen—to be the friend she needs right now—she could convince him that marriage would ruin everything.
