Hospitality Branding (Cornell Hospitality Management: Best Practices) Chekitan Dev

In recent years the brand has moved squarely into the spotlight as the key to success in the hospitality industry. Business strategy once began with marketing and incorporated branding as one of its elements; today the brand drives marketing within the larger hospitality enterprise. Not only has it become the chief means of attracting customers, it has, more broadly, become the chief organizing principle for most hospitality organizations. The never-ending quest for market share follows trend after trend, from offering ever more elaborate and sophisticated amenities to the use of social media as a marketing tool-all driven by the preeminence of the brand.

Chekitan S. Dev's *Hospitality Branding* brings together the most important insights from the author's many years of research and experience, all in a single volume. Skillfully blending the knowledge of recent history, the wisdom of cutting-edge research, and promise of future trends, this book offers hospitality organizations the advice they need to survive and thrive in today's competitive global business environment.
