Things didn't go wrong in postwar Iraq because the United States lacked a plan. Things went wrong because the United States was blinded by ideology and ignored planning that was already underway. *Losing Iraq* tells the story of the tragedy of Iraq, from the first discreet meetings to plan the political transition through the debacle the United States finally created. *Losing Iraq* is a stunning and revealing look at our recent past--with a candid take on how we can prevent this sort of tragedy from happening again.
