\$UCCÈS FACILE

Préface

Cher étudiant en comptabilité,

Ayant réussi avec succès plus de dix diplômes et titres professionnels comptables, je vous offre le présent volume avec confiance. Mon objectif est tout simplement de vous guider vers une meilleure réussite.

Je n'ai pour ainsi dire jamais cessé d'étudier. J'ai d'ailleurs écrit les examens professionnels comptables américains en 2010 et 2013.

Au fil de mes diverses expériences, j'ai développé bon nombre de trucs et conseils me permettant une approche plus efficiente lorsque vient le temps d'étudier, de préparer et de réussir un examen. Votre temps est précieux, tout comme le mien, et apprendre à se concentrer sur l'essentiel est une attitude gagnante.

Personnellement, je remets régulièrement en question mes diverses approches et stratégies. Comment puis-je obtenir davantage en fournissant les mêmes efforts? Je désire constamment améliorer les résultats obtenus en choisissant les moyens les plus utiles et les plus appropriés, c'est-à-dire ceux qui offrent une plus grande valeur ajoutée.

Compte tenu de cet objectif d'apprendre à travailler dans l'efficience, j'essaie également de trouver des façons de rendre l'apprentissage des concepts plus intéressant. Comment résumer l'information d'une manière plus visuelle? De quelle manière faire ressortir les interrelations entre les sujets? Et, finalement, comment favoriser la rétention à long terme ?

Je suis heureuse de partager avec vous la somme de mon travail, dans l'accomplissement de votre propre réussite.

Fière d'être comptable,

Dr. Sylvie Deslauriers
