The Principal as a Learning-Leader: Motivating Students by Emphasizing Achievement M. Scott Norton, Larry K. Kelly

Expanding a principal's formal education and training, *The Principal as Learning-Leader* is a administrator's guide to improving student achievement, showing practitioners how to focus on the individual academic performance of each and every student and to work with the school staff and community to develop a learning culture that supports student success.

Norton and Kelly show current principals how to assess their present behaviors relative to learning leadership. Providing a clear definition of learning leadership and identifying successful practices most commonly implemented by true learning leaders, this book features the administrative tools and accountability strategies that will allow principals to create a culture of learning leadership among all school personnel, which is key to engaging students, and the community, in the learning process.
