Black Jag, Book Three The wildcat of the Vic Moran litter, Rafe isn't too convinced the newly discovered laws are for the best. Especially when they would prevent him from chasing down Anna Hunter. He's had a taste of her and now he wants the entire meal. Anna knows better than to let any of the other jaguars know her true feelings about the documents all jaguars are honor-bound to follow. She's not into suppression. No one is going to put a leash on her or demand she behave a certain way simply because some ancient jaguar prophesied the laws be followed in order for survival. Anna knows how to survive. And she knows what she wants—whom she wants. One night of incredible sex changes Rafe's and Anna's lives forever. Now the documents that put a thorn in her claw need to be saved from jaguars out for profit. Rafe and Anna have no problem fighting to save all jaguars. But they'll be damned if they're going to quit enjoying what they both know is right.
