## **Mississippi Politics: The Struggle for Power, 1976-2008, Second Edition Jere Nash**

Originally published in 2006, *Mississippi Politics* quickly became the definitive work on the state's recent political history, campaigns, legislative battles, and litigation, as well as how Mississippi shaped and was shaped by national and regional trends.

A central theme of the 2006 edition was the state's gradual transition from a Democratic surety to a Republican stronghold. For this updated edition, authors Jere Nash and Andy Taggart examine the aftermath of the 2007 gubernatorial and 2008 presidential elections--and all the fireworks in between.

This new edition adds a chapter covering the last two years and includes analyses of the 2007 and 2008 statewide, legislative, and federal elections; the resignations of Senator Trent Lott and Congressman Chip Pickering; the indictments of Richard Scruggs and other prominent lawyers; President Barack Obama's influence on the state's 2008 voting dynamics; and the election of House Speaker Billy McCoy.
