Helena Blavatsky is one of the most famous occultists of all time. Founder of The Theosophical Society, she has developed a polarising reputation; her supporters see her as a visionary and a spiritual genius, her detractors as a charlatan and a fraud. First published in 1892, 'The Ensouled Violin' is one of her lesser-known tales. Many of the earliest occult stories, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
