The Wee Book of Weegie Wit and Wisdom Ian Black

Weegies have long been known for the quickness of their wit and the sharpness of their tongues. But behind every surreal retort and casual, bloodthirsty threat, is there a hidden profundity? A deep philosophical stance? Aye right, maybe, aiblins, perhaps. It really doesn't matter when they're this funny. In Glasgow's DNA there is an inbuilt belief that making a fool of yourself is OK, as long as it gets a laugh, makes a buck, builds a better society of whatever. After all, nobody but a real fool never made a mistake and it's a well-known fact that Weegies do try harder and laugh louder. In Weegie Wit and Wisdom, find out why Glaswegians drink, the best threats and insults for every occasion and why the Weegie approach to life helps Glasgow consistently top the league as the UK's happiest city. Amusing and entertaining, with just the right amount of wit and wisdom, it's time to discover the secrets of the Weegie world.
