Theological Commonplaces: On Christ

Johann Gerhard

Theological Commonplaces: On Christ Johann Gerhard

The Theological Commonplaces series is an first-ever English translation of Johann Gerhard's monumental *Loci Theologici*. Gerhard was the premier Lutheran theologian of the early seventeenth century. Combining his profound understanding of evangelical Lutheran theology with a broad interest in ethics and culture, he produced significant works on biblical, doctrinal, pastoral, and devotional theology. Gerhard interacts with the writings of the church fathers, Luther and his contemporaries, and the Catholic and Calvinist theologians of his day. His 17-volume *Loci* is regarded as the standard compendium of Lutheran orthodoxy, with topics ranging from the proper understanding and interpretation of Scripture to eschatology.

The central figure of the Christian faith is Jesus Christ, the Savior of the world. In this volume, Gerhard addresses the etymology of Christ's name, the divine and human natures of Christ, the personal union and communication of the two natures, the communication of attributes, and the office (or work) of Christ.

Useful for research on Lutheran doctrine, Gerhard's accessible style makes this a must-have on the bookshelf of pastors and professional church workers.

Each embossed hardback volume includes

- the translation of Gerhard's *Loci* (originally published from 1610 to 1625)
- a glossary of key theological, rhetorical, and philosophical terms
- a name index
- a Scripture index
- a carefully researched works cited list that presents guidance for deciphering the numerous abbreviations of the other titles from which Gerhard quotes.
