This is the story of how the ultimate reluctant reader became a book lover. The little boy in *I Will Not Read This Book* has a *lot* of excuses, because if there is one thing he doesn't want to do, it's read this book. He won't read it even if you hang him upside down by one toe, over a cliff, with sharks down below. And you know what? You. Can't. Make. Him. In this book illustrated with wit and whimsy by Joy Ang, Cece Meng delivers once again with a pitch-perfect reluctant reader who is finally convinced to read the book if—and only if—someone he loves will read it with him.
