**"How do I get promoted?"**

**The answer may surprise you**

Millions of people quit their jobs every month because they haven't gotten a promotion. But job-hopping in search of advancement and fulfillment may actually have the opposite effect.

Career progression is not about getting promoted, it's about outgrowing your space--making your current job bigger until management takes notice and creates greater opportunities for you. With a lifetime of experience and research to back him up, Rick Whitted helps you

- identify why you want a promotion
- define for yourself what success really looks like
- position yourself for a promotion
- innovate in the role you perform right now
- and much more

Rick shows you how to immediately apply the concepts you learn to your situation. Plus, he offers additional resources, including videos, tools, and assessments, online at [rickwhitted.com](http://rickwhitted.com) and [careerwhitt.com](http://careerwhitt.com).

"A refreshing, insightful, and well-researched book that asks the critical questions about how each of us can succeed at what is important in business. A readable, thoughtful, and often surprising book that has great utility for employees and managers at all levels. I wholeheartedly recommend it!"--**Brigadier General (Ret) Philip D. Coker**, author of *Forging Great Leaders* and *The Geometry of Leadership*

**Rick Whitted** (MBA) has worked for industry-leading firms in the banking sector for more than two decades. After starting as a part-time bank teller in college, he gradually advanced to lead several regional and national teams as a senior manager.
